

NEW THIS YEAR: Schools have the opportunity to register ADDITIONAL Conference Team Members!!

Each year, the EAST Initiative receives multiple requests from schools that want to bring more students to experience the entire EAST Conference, but it was not possible until now. The EAST Initiative will continue to provide the EAST Conference experience free of charge for up to eight (8) students per EAST Program; however, this year EAST Programs also have the option to register additional students to experience the entire conference for a \$50 registration. These students will have all the same privileges as a standard Conference team member from your program.

Additional Conference Team Member = \$50/student

- Full Conference participation as a registered student team member.
- Includes: Giveaway Items (Conference t-shirt, etc.) Opening Session, Fusion & STEM Challenges, Exhibit Hall, Tinker Space, Breakout Sessions (can pre-register to attend sessions), Conference Gala, Tech Support Olympiad, Closing Session
- Register in advance - See below for instructions.

EAST Programs are still welcome (and encouraged) to bring additional students to see the Exhibit Hall and check out Conference free of charge on Wednesday, March 15 (after 1 p.m.) and on Thursday, March 16.

General Guest / Student Visitor Pass = FREE

- Limited Conference participation as a general guest or visitor. This is a perfect option for schools wishing to bring students to see the Exhibit Hall!
- Includes: Exhibit Hall, Tinker Space, Breakout Sessions (not eligible to pre-register, but can attend if seats are available), Tech Support Olympiad
- Register / Check-in onsite at the EAST Conference Information booth
- Schools can purchase Gala Tickets for General Guests & Additional Students separately for \$15/person.

For security purposes, this year all Conference events (Opening Session, Gala, Closing Session, Fusion & STEM Challenges) will be scanned. Registered students and/or facilitators MUST have their name tag and barcode to attend. If you forget or lose your name tag and/or barcode, EAST cannot guarantee that you will be allowed to enter.

Instructions for Registering Additional Team Members

Additional Conference Team Member Registrations can only be made by contacting the EAST Events Team at Events@EASTstaff.org. Include the student(s) name(s) and tshirt size(s).

- EAST will send your school an invoice ASAP.
- Deadline to request student registration and to the pay invoice is **3 p.m. CST, February 8, 2017!** If not paid by this deadline, your students will NOT be registered to attend Conference.
- EAST will manually register these additional students AFTER the February 8 deadline.
